

*The Lions Club of Union City  
P. O. Box 2314, Union City, CA 94587*

Calling All Community Sponsors:

This coming February 29, 2020 marks the date for the 10th Annual Union City Lions Crab Feed, and we need your help! We are seeking sponsors to host a table for 10 of their guests for this wonderful event. Table sponsors receive a table reserved for 10, 10 admissions to the dinner, acknowledgement of the company's support on the Union City Lions Club web site, acknowledgement by the Master of Ceremonies, and mention in the Crab Feed Program.

The benefits for businesses participating include enhancing the company's exposure to more than the 300 anticipated participants at this year's event, advertising at very low cost and proactively raising funds that will be used to benefit local youth groups and other Lions Club community projects **including, but not limited to; scholarships for college bound high school seniors, and assistance to youth groups and needy and elderly community members.**

This is a \$1,000 value we offer for a \$700 contribution to the Union City Lions Club Crab Feed. Artwork and contributions must be submitted to **Kevin Finnerty** by February 7, 2020.

Let me thank you on behalf of our club for helping with this event!

Sincerely,

*Kevin Finnerty*
